

WPMC 2023 SPRING SOCCER

Games are played on Saturdays from May 6 - June 10

January - March 2023

DEAR SOCCER PARENTS AND PLAYERS,

We are looking forward to the 2023 Spring Soccer and the 2023 Summer Ball programs that we have operated for thousands of boys and girls over the past eight decades. The WPMC will start Spring Soccer with Saturday games on the following dates: May 6, 13, 20, 27, June 3 and 10. Practices will begin in mid-April . We utilize seven fields (located behind the Wattles Parka Elementary School) to operate a spring program. We are continuing to make the cost as reasonable as possible at only \$70 per player. Each player will receive a t-shirt. All players MUST have shin guards.

Since the WPMC operates youth recreation programs on a year-round basis we are able to schedule games and matches that do not overlap. Our baseball/softball/T-Ball programs start playing games in June. Baseball/Softball/T-Ball games will be played during the week (but not on Saturday). Therefore, boys and girls can participate in both programs (Spring Soccer and Summer Baseball and Softball) without any game conflicts.

The WPMC's philosophy over the past 60+ years has been to provide equal opportunities for boys and girls to participate in a wholesome, well-supervised and well-organized athletic activity. The Spring Soccer Program is open to everyone in the Greater Battle Creek Area. The program is divided into 11 leagues:

- 1 - Shooting Stars League - a coed league for those boys and girls eligible for Kindergarten in September 2024
- 2 - Mighty Mite Boys - for Kindergarten Boys and those Boys that are Pre-Kindergarteners (eligible for Kindergarten in Sept. 2023)
- 3 - Division 1 Boys - 1st and 2nd Grade Boys
