

# WATTLES PARK MEN'S CLUB

## 2021-2022 BASKETBALL SIGNUP

Practices begin in mid-February; Games Dates are March 5 – April 23

The Wattles Park Men's Club welcomes everyone to a new era in the history of your organization. We are in the process of building a 24,000 square foot recreation building that will provide sports for the next couple of generations. The \$3 million dollar complex is located in the parking lot off East Michigan, just west of the intersection of East Michigan and Wattles Road. We will have wooden floors and the three gyms will be used for basketball, volleyball, indoor soccer and floor hockey. The three courts are "kid-size" at 74' long by 50' wide. We are tremendously excited to have our own facility and to be back in the "Wattles Park" area, where our outdoor soccer and baseball/softball/T-Ball programs are located.

All teams will be limited to ten (10) players. All players will play a minimum of one-half of each game, in keeping with the philosophy of the Wattles Park Men's Club.

=====

There will be eight basketball leagues this year:

1st-2nd Grade Girls' League

1st-2nd Grade Boys' League

There will be up to 6 teams in the Girls' League

There will be up to 10 teams in the Boys' League

This league will use 8' baskets.

=====
